St. John College of Engineering and Management, Palghar
NAAC Accredited with Grade A
Department of Information Technology
&
Department of Computer Engineering

A.Y. 2022-23

St. John College of Engineering and Management (SJCEM), Palghar organized its first **7-day Industrial visit** for **B.E. (Information Technology and Computer Engineering)** and **T.E. (Information Technology)** students from **February 20, 2023 to February 26, 2023**. The companies visited were **Jaipur Rugs** and **R-CAT**, which are based in **Jaipur, Rajasthan**. A total of **46 B.E. (Information Technology Computer Engineering)** students and **46 T.E. (Information Technology)** students were part of the industrial visit. **Mr. Vivian Lobo** from **Department of Computer Engineering**, **Mr. Sandip Patil** from **Department of Electronics and Telecommunications Engineering** and **Ms. Shraddha More** from **Department of Information Technology** were the faculty co-ordinators.

Industrial Visit Outcomes:

- To give industrial exposure to students.
- To give learning beyond the walls of the classroom.
- To learn about the use of IT in various non-technical industries.

Jaipur Rugs:

Jaipur rugs is one of India's largest hand knotted rugs manufacturers. Jaipur rugs was founded by Nand Kishore Chaudhry in 1978. One of the employees of Jaipur Rugs gave a brief history about the company. After the presentation, the students were taken for Rug show where they got to see the different hand knotted rugs and carpet. Every rug had some story and pattern which was narrated by the worker of the Jaipur rugs. Even they had a machine where they showed how the rugs were actually made. They displayed all the Manchacha collection and even told the story behind each.

Rajiv Gandhi Centre of Advance Technology:

R-CAT was developed by Rajasthan Government in order to bring technology in their state. Main aim behind R-CAT is to develop analytical and technical skills in the budding learners. Various multinational companies provide industry oriented courses through R-CAT which students can learn and become industry ready. Different companies like Adobe, Oracle, Redhat etc. provide courses followed by their professional certification exams.
