30hours Workshop on “Quality Assurance & Quality Control of Building Materials” under the banner of ACCE Chapter

Department of Civil Engineering organized 30hpurs workshop on “*Quality Assurance & Quality Control of Building Materials*” under the banner of ACCE student chapter. The workshop was conducted for B.E students from **19th July 2022 to 28th July 2022** at Civil Engg Dept, The workshop was begins with open remark by Principal of SJCEM, HOD and in the presence of resource persons of internal faculties of Civil Engg Dept.

Total 59 students got the benefit from the workshop which will definitely enhance the basics and practical knowledge of the related course also it is acting as a bridging between the academic and industrial gap.

Vote of thanks is given by Dr. B J Godbole HOD of Ciivil Dept, The feedback of the participants was very encouraging and we would like to conduct such program's in future.

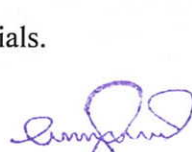

Objectives of Workshop:

1. To fill the piratical knowledge gap which is missed out during the Covid Pandemic time.
2. To explain about concept of quality assurance and quality control on site.
3. To perform laboratory tests during the workshop on various materials, Like Steel, Aggregate & Concrete etc.

Workshop Outcomes:

1. To understand quality assurance and quality control on site.
2. To understand reading of structural drawing and bar bending schedule.
3. To understand skills required for industry after the graduation.
4. To understand quality measures on construction materials.
