

Faculty achievement in AY. 2017-18

Name of the author	Title of the paper	Title of the journal	Year of publication
Mr. Parag Nikam	Design and analysis of pressure vessel components as per ASME SEC VIII DIV III	IJEDR International Journal of Engineering development and research ISSN:2321-9939	March –April 2018
Mr. Avinash Chavan	Design and Fabrication of cost effective electric Go-Kart	IRJET International Journal of Engineering research and technology ISSN:2395-0056 Impact factor 5.91	April 2018
Mr. Ambepasad K	CFD analysis of Air Intake manifold system to improve efficiency of formula SAE car	IOSR_JMCE Journal of Mechanical and Civil Engineering	March 2018
Mr. Gaurav Bhawde	Design and fabrication & analysis of automatic telescopic mount	IJAEEF International Journal Of Analytical Experimental and Finite Element Analysis ISSN:2394-5141	March 2018
Mr. Parag Nikam	Design and fabrication of cross-country pipeline cleaning robot	IJEDR International Journal of Engineering development and research	Mar-April2018

		ISSN:2321-9939 Impact factor 5.31
