Notice for OBC Students of Engineering

Some students in OBC category, who have got drops on two or more occasions during their engineering degree period, have approached us for readmissions after clearing their exams. For information of these students, we wish to clarify that, as per **paragraph 13 of Maharashtra State, Social Welfare Department Order dated 31st March 2016**, if eligible students have failed on two or more occasions and could not secure admissions for next academic year, then the said students will not be eligible for any scholarship for the remaining course period.

In view of the said order, all the students seeking admission in above category are required to pay their full fee. We wish to clarify here that, if Government changes this rule and/ or their scholarship is directly paid to the college, by the Social Welfare Department of Government of Maharashtra, then the fee collected from them will be refunded to the students as per our practice.
